Information
Sheet

We Offer the Following Aesthetic Treatments:

Chemical Peels (45 minutes)

- **Seborrheic** - excellent to balance oil production and calm down inflamed skin and break-outs
- **TCA** - will result in lots of peeling; revealing soft, glowing skin underneath
- **Lactic acid** - the original milk peel, great to address dry and dull skin
- **Glycolic** - an all rounder resulting in a healthy glow and an even-toned complexion
- **Alkaline** - a superb anti-aging treatment, also gets rids of unwanted peach fuzz on face
- **Hand refine treatment** - glycolic peel used to soften hands and reduce signs of sun damage

All Chemical peel treatments include cleansing, serums and mask application.

Micro-needling (60 minutes)

- **Pigmentation cocktail** - look no further, this is THE complexion corrector
- **Liquid gold (Gold standard micro-needling)** - the gold standard treatment for any skin concern. Wonderful way to introduce your skin to micro-needling.
- **Skin brightening cocktail** - shine bright with glowing skin. Perfect to de-age your skin or to treat acne.
- **Royal Treatment (Royal Standard micro-needling)** - treatment fit for royalty. We use retinol and collagen serums to plump up and smooth out your skin. You will feel like a new person!

Micro-needling treatments include a glycolic peel as well.

Cosmetique Clinic is a licensed stockist of **Biomedical Emporium** products.

All treatments are charged per session. Discount is applicable when a package of six is bought and paid for in advance. Please contact us for our detailed price list.

We also offer skin care consultations where we can work out a comprehensive treatment plan for your individual skin health needs, using other treatment modalities as needed.

We work closely with Dr Judey from **Biomedical Emporium** to ensure great results for any skin concern.
