## We Offer the Following Laser/IPL Treatments:

### IPL Hair Reduction

- Can be done on the whole body (except scalp and eyebrow contouring)
- Men and women over 14 years of age
- Works best on light skin and dark hair
- Need 4-6 sessions about six weeks apart for optimal results
- Added benefit of skin rejuvenation for treated area
- Minimal discomfort and downtime

### IPL Skin Rejuvenation

- Indicated for pigmentation, sun damage, ageing skin, visible facial veins and flushing
- Usually done on face, neck and chest but also popular on hands/arms
- Virtually pain free with no downtime
- Can be done once a month (usually 3-4 times a year)

### Laser Resurfacing Using the Pixel Hand Piece

- Laser treatment using fractional ablation
- Indicated for sun damaged skin, acne or chickenpox scars, mild to moderate wrinkles
- Usually done on face and neck, but can be done anywhere required
- More pain/discomfort than IPL but generally well tolerated
- More dramatic results than IPL
- Can be done 1-4 weeks apart for up to 3-5 sessions

### IPL = Intense Pulsed Light

**All laser treatments are charged per session. Discount is applicable when a package of six is bought and paid for in advance. Please contact us for our detailed price list.**

**We also offer skin care consultations where we can work out a comprehensive treatment plan for your individual skin health needs, using other treatment modalities as needed. During this consultation you can view and experience the laser machine and we will be happy to answer any questions you may have.**
